USE
HALL'S Vegetable Sicilian HAIR
RENEWER.

It is a medicinal preparation, and, at the same time, an elegant and cleanly toilet article. Its action upon the scalp is healthful. It nourishes the glands which support the hair, and causes thin, dry hair to become thick, soft, and vigorous. It restores the color of youth to locks which have become faded with age or disease; and relieves and cures itching, caused by humors of the scalp. Dr. George Gray, Nashua, N. H., writes: "It gives me pleasure to testify to the wonderful effects produced by Hall's Vegetable Sicilian Hair Renewer, as observed by me in very many cases. IT WILL CERTAINLY RESTORE THE HAIR TO ITS ORIGINAL COLOR. It cleanses the head of dandruff, and leaves the hair soft, glossy, and beautiful." F. T. Sandhein, 1010 Spruce st., Philadelphia, Pa., writes: "After unavailingly trying a number of preparations to prevent my hair from falling out, and, realizing that I was fast becoming bald, I tried, as a last resort, Hall's Hair Renewer. I have used only four bottles of the Renewer, and am perfectly satisfied that it is the best preparation in the market for checking the falling out of hair, invigorating the hair roots, and promoting a new growth."

Buckingham's Dye

The College.

The regular meeting of the Pierians, was held in their room, Friday evening, Nov. 26th. As previously announced it was "public night," and the occasion had been looked forward to with pleasant anticipations by many of our literary people. The room was crowded at an early hour, among which were many of the elite of the city. The meeting was opened by a piece of music astistically rendered by a quartette composed of Messers. Hildebrand, Cordell, White and Leedy, after which prayer was offered by Rev. Duncan. An instrumental duet by Messers. Leedy and Garber was the next feature of the occasion, and was greatly enjoyed by both members and guests. Next was an oration, "The district school," by C. D. Myers, followed by an essay, "School friendship," by Miss Emma Balyeat. It would be difficult to say which were the better received, for all were apparently enjoyed to the utmost. Next a duet by Miss Snyder and Mr. Hildebrand, "Speed Away," which was received with pleasure. Miss Coffin, the elocution teacher, favored the society with a recitation, "Forty to Twenty," which was received with great applause. The regular programme was then continued, Miss Minnie Coler reciting, "The old church organ," followed by an essay, "Language," by W. L. Hollenbaugh. Music, quartette and solo by Misses. Snyder and Miller, and Messers. Cordell and Hildebrand. Declamation, "Red Jacket," by Miss Grace Shoemaker, music, sole by Miss Snyder, followed by an oration, "Our Government," by E. H. Sothoron, all of which abounded in bright phrases and good hits. The entertainment concluded by the rendition of an instrumental duet, by Messrs. Leedy and Garber. The next public meeting will be held, Friday evening, Dec. 24th. All are cordially invited.

Last Friday was election of officers for the present term of society. The following students were elected, E. H. Sothoron, Pres.; W. C. Cordell, Vice Pre.; Miss Grace Shoemaker, Sec.; B. Leedy, Chorister; S. White, S'gt at arms.

The class in book keeping is making excellent progress, and the beauty of it is, they learn thoroughly everything as they go over it. Mr. Cordell is an able teacher and one that understands the business.

The services during the past week, at the college, have been attended by the majority of the students, and they all seem to be interested: this is encouraging.

AGENTS WANTED for the MISSOURI STEAM Washer

Active, honest persons all over the country, with or without team.
JOHN C. EVANS, Scotland, Mo., writes: "I stand up and affirm that a Washer saves more hard labor and money in a large family than any Reaper and Mower that ever was put on any farm with less than 160 acres in cultivation. If you will put up any instrument that will take as much labor off of men as this Washer takes off the women, and save as much money as it does and cost as much, I could sell one at every house, if they had to take the feathers from under their wife and babies to pay for it."
JOHN R. DODGE, JR., jeweler, Normal, Ill., writes: "You ask what I think of the Washer bought last summer. Ist. It is the best machine ever invented by man. 2d. We have just as good dinners on Monday as on any other day. 3d. If you run short, you can not buy ours for gold."
I will ship a sample to those desiring an agency on a week's trial on liberal terms. A thousand per cent the best washer in the world for saving labor, clothes and soap. Pays capable agents big money. Write for particulars.
